WHAT YEASTOLE DOES Most people just drag along half fit. They lack the vim which gives zest and sparkle to life, because their system is burdened with the effects of malnutrition. They feel worn out and have to spur themselves on to do their daily task and get no joy out of life. Yeastole, Yeast with Charcoal overcomes this condition, not by irritating the jaded nerves and bodily organs to renewed effort, but by neutralizing the deadening poisons and by supplying Vitamins essential to health and energy, for YEASTOLE IS A FOOD NOT A DRUG

COSTS LITTLE BUT DOES MUCH. Grocers and Druggists sell it.
